

# SUPPLEMENT & EXCLUSION DATES

Multi-trip tickets that cannot be used on some departures are detailed in the exclusion dates section below. Some departure dates also require a supplement of up to £30. These are listed in the supplement payable section. You will not need to pay more than the standard Economy fare for your crossing.

Dates stating 'no supplement' require no supplement. You are free to use your Multi-trip tickets on dates which state 'no restrictions'. **You can use your ticket on any dates throughout the year not listed in this table.** Any dates not listed do not require a supplement.
